

N'WASITSHAKA RESEARCH CAMP

A. Accommodation: Four different types of accommodation are available at the N'wasitshaka research camp. These are described below. All bedrooms have single beds & ceiling fans and all windows are fitted with mosquito nets.

1. **Rondawels (sleep 2-3 people):** One bedroom thatched rondawels with en suite bathroom (toilet, basin & shower); small separate sitting area; fully-equipped kitchen including 2-plate stove & small fridge/freezer combo. All rondawels have air-conditioners.
2. **Chalets (sleep 3-5 people):** Two bedroom units, each sleeping a maximum of two people; Bathroom with shower, toilet & basin; separate lounge/dining area; fully equipped kitchen including a gas stove & oven & a fridge/freezer unit. Air-conditioners are present in only one of the bedrooms in each chalet.
3. **Park Homes (sleep 6):** Three bedroom pre-fab houses, each room sleeps two people; Bathroom with toilet, shower & basin; Spacious sitting area; fully-equipped kitchen, including 2-plate stove & fridge/freezer unit. Air-conditioners are present in only one of the bedrooms in each park home.
4. **Camping (4 sites):** Four camping sites are available at the N'wasitshaka research camp. There are ablution facilities and a communal kitchen area with a fridge/freezer unit and two 2-plate stoves. Campers need to supply their own kitchenware. These sites do not have electricity.

B. Office Facility & Internet Access (for researchers ONLY): An office area is available to researchers next to the Scientific Services Secretary's office. An ADSL line that serves both the research camp and the park homes is also available from the office and from the research camp & park homes. In order to connect to the ADSL line, please contact Patricia Khoza during office hours (patriciak@sanparks.org or 0137354235) for the web key. Cell phone reception is available in and around Skukuza. There is also a public telephone at the Skukuza Rest Camp.

C. General:

- Linen & towels are provided in the research camp. If you require additional or clean towels please contact Patricia Khoza during office hours (07h00 - 16h00) on 013 7353545.
- Laundry facilities are available at the research camp, but please supply your own automatic washing powder. There is a top-loader coin-operated washing machine & a coin-operated tumble dryer.
- Braai facilities are available throughout the camp. Please supply your own charcoal. There is a shop in the Rest Camp which carries curios & essential supplies. In addition fresh produce, fire-wood, charcoal, lighters & matches are available. There are also a 2 restaurants at the Rest Camp, open daily from 07h00-21h00. They serve breakfast, lunch & dinner. If you would like to eat at the restaurant please make use of your late permit, issued by Patricia Khoza upon making a reservation.

D. Making a Reservation: Please contact your project coordinator or Thembi Khoza via email or telephone to make a reservation during office hours. (thembi@sanpraks.org or 013735424254). Please supply the following information when making a reservation:

- i. Client code or your full ID or passport number
- ii. Contact telephone number or email address
- iii. Date of arrival & departure
- iv. Number of guests

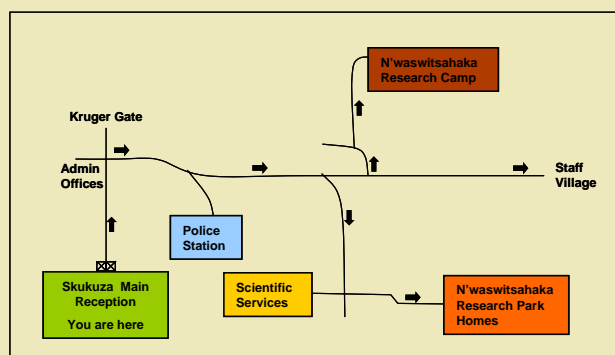

E. Cost: Huts R100 p.p.p.n; Park Homes R80 p.p.p.n & camp sites R60 p.p.p.n. Conservation fees are not charged for research accomm.

F. On arrival: Please report to the Skukuza rest camp reception with your booking confirmation letter to check in & pay. The receptionist will give you the keys. A map to the research camp is provided below.

G. Game guards (for researchers ONLY):

Should you require the services of our game guards please contact Thembi Khoza (thembi@sanparks.org or on 0137354254) well in advance. Further details are provided in the 'KNP Protocols for Researchers' document posted on the Scientific Services webpage.
